

COMPANY COMMITMENT FORM

When you ask employees to volunteer, it gives them a sense of community and purpose that positively reflects the spirit of your company. United Way of the Mid-Willamette Valley is celebrating the spirit of volunteerism through our annual Day of Action. On June 21st, 2019 teams of volunteers from companies like yours will roll up their sleeves to help non-profit agencies

We hope that you will consider forming a team of volunteers to make a meaningful difference for families with young children in our community! Forming a team is easy, and United Way will be there to support you and your team. The ideal team size is 5-25 people.

Step 1: Make the Commitment

We are grateful to have a wide range of volunteers who support the mission of United Way. Your energy and talent become a key part of the United Way story, which is really the story of YOU and your community support. Please submit this Company Commitment Form by email (sbobb@unitedwaymwv.org), fax (503) 581-2730 or in person (455 Bliler Ave. NE Salem, OR 97301) no later than **Friday, May 9th 2019**.
