

## Follow-Up Training to Long Term Recovery Orientation

Building on the November 5<sup>th</sup> National VOAD Long Term Recovery Orientation, the Oregon Office of Emergency Management and FEMA are sponsoring a series of webinars to provide information on specific, key elements of successful Long Term Recovery groups. Voluntary Agency Partners and FEMA Specialists will share information to help grow your community's Long- Term Recovery Group (LTRG).

Over the next few weeks, informational Webinars will be offered to Local Voluntary Agencies, Community Leaders, and Community Members interested in developing and supporting LTRGs. You will learn best practices when developing key components and subcommittees of LTRGs from professionals experienced in their fields.
